"Iffud Thedford's Black-Draught a good medicine for liver disease, it cured my son after he had spent \$100 with doctors. It is all the med-icine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Thedford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion

Thedford's Black - Draught will cleanse the bowels of im-purities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sick-ness and contagion. Weak kid-neys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Thedford's Black-Draught should always be kept

in the house. "I used Thedford's Black-Draught for liver and kidney comaints and found nothing to excel

Chairmen and secretaries of county, legislative and city committees may or may not be members thereof.

When said committees are thus organized, the chairman of each will send a list of his committee, indicating the precincts each represents, to the secretary of the Democratic State Central and Executive Committee at Frankfort. He will also report whether any preciacts fall to hold an election at the time required, and, if so, indicate such precincts

It is of the utmost importance that these details of the party organization be attended to. It is necessary to the party's success and harmony that the democrats in each precinct should select their own committeemen, and they should see to it that an earnest and zealous democrat, who will give his time and attention to the work, is named in each instance.
